

REMARKS

Kindly enter this Preliminary Amendment before a first action on the merits. By this Preliminary Amendment, Applicants have canceled claims 2-13, 17-48, and 116-165. These claims have been canceled solely to reduce the number of claims pending prior to payment of the fee in connection with this application. Applicants continue to believe in the patentability of these claims, and reserve the right to file one or more continuing applications to pursue the canceled subject matter.

An early and favorable action is earnestly solicited.

Respectfully submitted,

Robert Lee THOMPSON and David BOLEN
